

Law of Forgiveness Prayer

In the Name of GOD Almighty, Father, Son, and Holy Spirit, Grandmaster Choa Kok Sui, Lord Bodhisattva Mei Ling, my Angels and my Higher Soul...

I forgive and ask forgiveness to all energies of all forms and manner, all persons, events, places, and situations in my present lifetime, past and ancestral connected karmically to my present negative situation. I forgive them all and ask forgiveness; I release them all completely, entirely, and thoroughly, right now!

I give thanks for the lessons learned and the empty spaces, I ask to be able to transmute these energies for higher purposes. I willingly and humbly accept and receive divine healing golden energies (Imagine golden light coming down, down your crown, head, and see how it interpenetrates all your bodies, your physical body, your organs, every cell, etc., that have been affected by the negative karma or negative situation. Be still, be aware!). Thank you for materializing rapidly and properly, now!

Divine Father, please establish the "Divine Order" in all things in my life and in my love ones. Thank you! In full faith, so be it!

Do this prayer every day.
